1. Personal Development

- What areas are you currently working on developing (skills, spiritual growth, leadership)?
- How can I support or resource you in this development?

2. Goals Review

- Review previous 6-month goals: What was accomplished?
- What are your primary goals for the next 6 months?
- How can leadership support you in achieving these goals?

2. Ministry and Team Assessment

- What aspects of your ministry are working well?
- What aspects are not working well or need improvement?
- How are your team members doing? (Morale, performance, spiritual health)

3. Challenges and Solutions

- What current challenges or obstacles are you facing?
- What support or resources do you need to overcome these challenges?

3. Vision and Future Planning

- Share your vision for your ministry over the next 6 months.
- Identify opportunities for growth or outreach.
- What new ideas or initiatives would you like to explore?

3. Resource Evaluation

- Do you have adequate resources (time, volunteers, finances, materials)?
- What additional resources would significantly benefit your ministry?

4. Prayer and Support

- What specific areas would you like prayer for over the next six months?
- Are there personal or spiritual needs you wish to share for prayer and support?

Action Items:

Closing Prayer and Encouragement
